

SwingShift Nurses Notes

COVID-19 update

There have unfortunately been an increase in COVID-19 cases once again, from Tuesday the 25th of May Metropolitan Melbourne moves to revised COVID Safe settings, including:

- Facemasks to be worn indoors
- Private gatherings in the home are limited to 5 visitors per day
- Public gatherings are limited to 30 people outdoors

New Education Process

SwingShift Nurses have been in operation for over 20 years, one of the key focus areas and the most requested for improvement by our nurses is a streamlined education solution.

Our Recruitment team has answered your frustrations, and proud to announce our new education platform powered by iinduct. iinduct education is considered a compulsory expectation to remain active and able to complete shifts with SwingShift Nurses. The

And from Midnight Thursday 27th of May “circuit-breaker lockdown” went into effect. This means that you cannot leave your home unless you are doing it for one of the five following reasons:

- shopping for necessary goods and services
- care and caregiving
- exercise
- authorised work and permitted study
- to get a COVID-19 vaccination.

Everyone wants to get back to normal but we also need to stay safe. Victorians are being asked to stay safe by getting tested and practicing COVIDSafe behaviours. This is especially important as we see friends and family, celebrate together, travel together and move around Victoria, Australia and New Zealand. Coronavirus is still present in Australia and we must all be vigilant and play our part to reduce the spread.

Healthy Winter

During the colder months, you might be tempted to curl up on the couch and watch some Netflix. While it's good to relax and have some down time, it's also important to stay active and healthy during winter.

- Eat immune boosting foods (rich in Vitamin c, zinc and Iron)
- Drink plenty of water
- Stay active
- Practice good hygiene
- Spend sometime in the sun

modules will take between 2-3 hours to complete, they are certified and will accrue CPD points. The education is a total solution to be completed annually.

- One renewal date
- All mandatory modules
- Continued improvements
- Prompts to ensure you have plenty of time to complete the modules prior to expiry

Integrating with iinduct will ensure quality education, provide confidence to our clients and satisfy our quality assurance obligations. We know you will love this platform as much as we do. If you have any questions please free to email education@swingshift.com.au

Plenty of work

SwingShift Nurses continues to be one of the most utilized nursing agencies in Melbourne due to the quality of the nurses and services we provide. We have an abundance of work with lots of options available to you including locum/term placements. To provide you with the best opportunities it is important that our records are current so please keep your availability and preferences up-to-date, and don't forget the more hospital network (EMR) trainings you complete the more variety we can offer you.

Celebrating nurses and midwives

Nurses and midwives make a significant contribution to the health and wellbeing of all Australians. Largely, however, their outstanding work appears to go unnoticed by the broader community. In May we recognize these achievements with International Day of the Midwife on 5 May and International Nurses' Day on 12 May

Renew your registration now

More than 400,000 nurses and midwives are registered with the Nursing and Midwifery Board of Australia and are due to renew their general or non-practicing registration by the 31st of May. As a registered nurse, enrolled nurse, midwife or nurse practitioner you should have received an email from the Australian Practitioner Regulation Agency providing access to [online renewal](#)
